INTRODUCING NEW HEARTH'S BREADSTONE OVEN

THE RECIPE FOR
PERFECT CRUST
CALLS FOR STONE.

Long, long ago, our ancestors baked in stone ovens. But, as kitchens moved indoors, traditional methods were left outside. Now they're back. New Hearth's BreadStone Oven is a heavy-duty stainless steel exterior with a ceramic stone-lined interior. Just turn it on, allow it to heat, shut it off and bake and marvel. Out of that stone interior will come everything from wonderful crispy crust pizza to delicious casseroles. Not to mention a variety of breads wrapped in a chewy golden crust – succulent sourdoughs, Tuscan loaves, and savory whole-grains with a shelf life of two weeks or more. The BreadStone Oven. Countertop or built-in, it's a simple, beautiful concept. It makes the kind of bread most American tables (and taste buds) have never seen.
